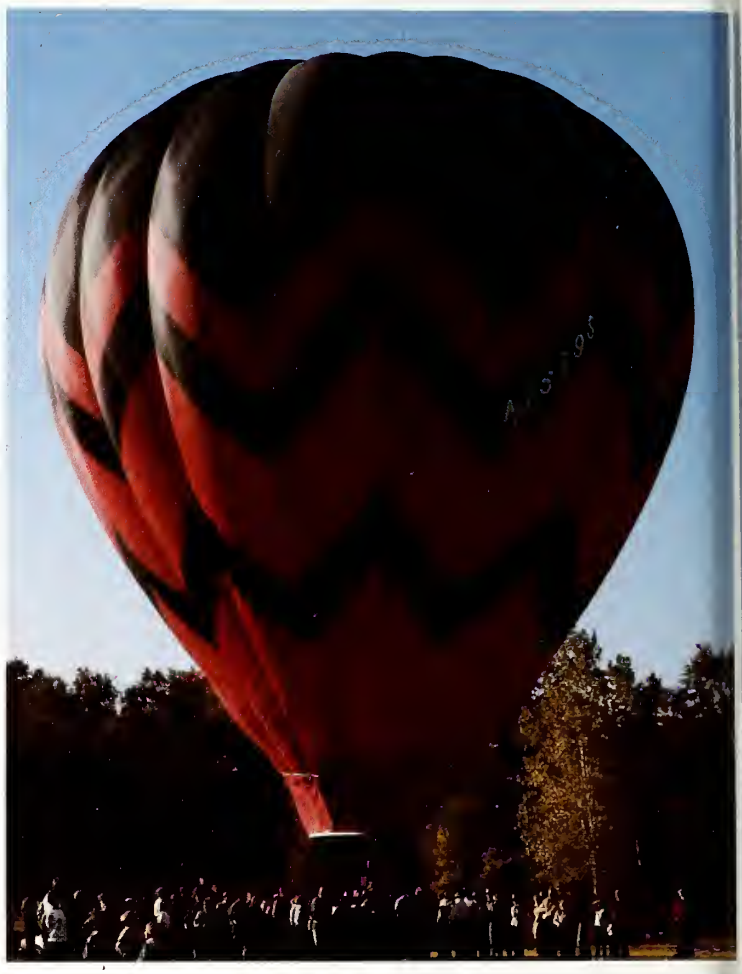
Thresher '85



The 1984-85 school year at Bethel college will evoke memories of many different things. For some students the school year will remind them of their first struggles for a higher education, for others the year will represent the last step in the battle with the books. Students, faculty and patrons will remember the tremendous football season for the Threshers in 84. Others will recall their experiences in traveling abroad during Interterm. Many will just remember the good times shared with friends.

We hope that your memories and experiences at Bethel College will lead you to bigger and better things in your quest as you go. . .

# Fall Fest

Carrying the theme "Up And Away" Fall Fest got off to a flying start with the Thursday night production of *110 in the Shade.*

On Friday the activities started off with Mimewock, a clown and mime performance in convocation. Following Convo, students, faculty and staff braved the cool weather for the "Anything Goes Competition." Some of the games included a water balloon bust, chicken race, gunny sack race, and banana eating contest.

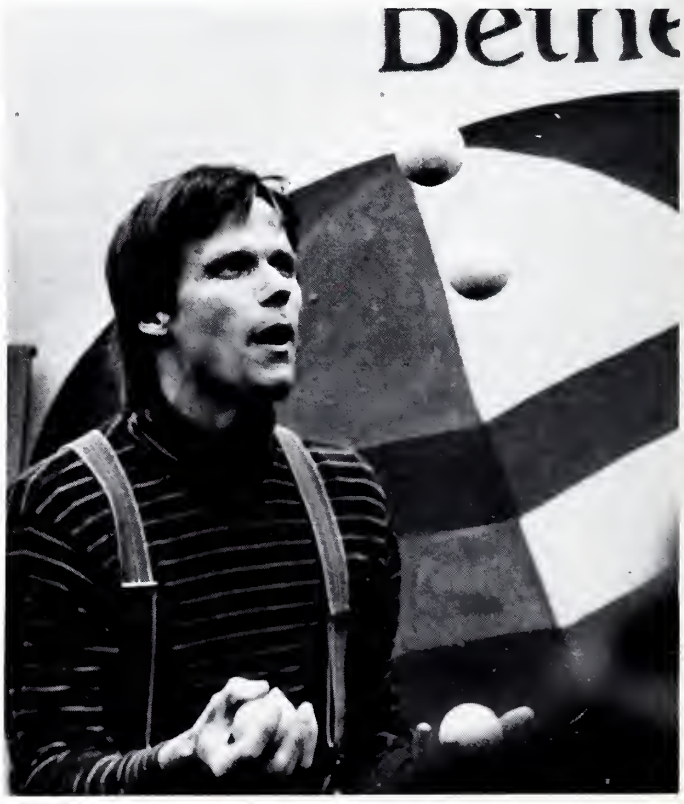
A record crowd of over 10,000 people showed up on Saturday for the festivities despite continuing cool weather. Events included arts, crafts, ethnic food booths, wheat weaving and an exhibit of electronic technology by Hewlett Packard, Inc. A first happened on Bethel's campus when four hot air balloons were launched from the soccer field in the late afternoon. Saturday night the football team took on St. Mary of the Plains and won by a score of 41-21. A halftime performance was presented by the Derby High School Panther Marching Band under the direction of Bethel College alumnus Glen Goering.

Fall Fest activities concluded with two morning worship serveces at Bethel College Mennonite Church, an afternoon alumni chamber music concert and two performances of the Fall Fest Musical.

A local man volunteers his time to demonstrate wicker weaving.

Sophomore, Larry Lux, and Freshman, Cindy Voran, perfect their racing techniques that resulted in their team's 3rd place finish.

A member of Mimewock entertains the crowd with a juggling act.



The highlight of Fall Fest was the raising of the hot air balloon.

Elementary Education majors team up with children for an afternoon of fun.

During the quest for a quicker time, team members help Freshman, Sally Mallam, into a gunny sack in hopes of securing a first place finish.

Well, it isn't Lawrence Welk but this orchestra is bubbly enough to please the crowd.

J. Harold Moyer is happy to show the audience various ways to play a grand piano.

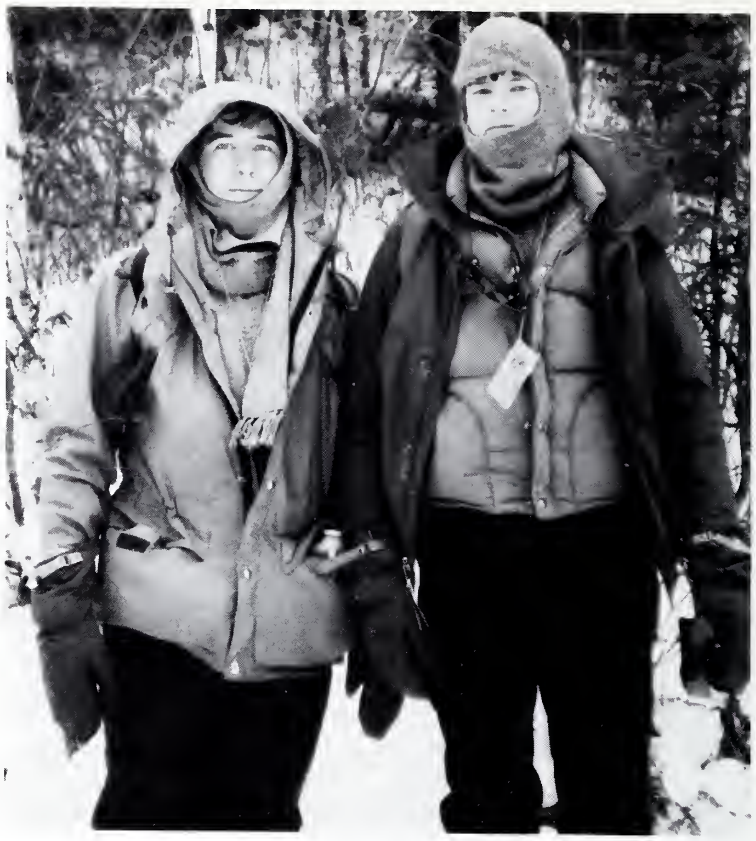
# Interterm

From New York's Fifth Avenue to London's Buckingham Palace, from the balmy beaches of Mexico to the snow of Northern Minnesota, and from the many classrooms of Bethel to the inner city of Chicago, Bethel students spent their interterm semester having a lot more fun getting credit than they usually manage to do.

Between shopping excursions and sightseeing, those on the Modern Theatre/New York tour and Literary London tour saw many plays and musicals, among them T. S. Elliot's Cats. Trips on the more socially developmental side were Urban Issues and Urban Art in Chicago and Rural Development in Mexico. On these trips students were shown how to help and understand those less fortunate. Perhaps the coldest trip was the one organized Audubon Society's in order to study moose habitat in the snow of Northern Minnesota.



Bundled up against the cold, Duane Knoll and Ken Regier prepare for another moose tracking expedition.

Pausing for a moment in front of Windsor Castle, the Literary London group hopes to find the Queen in residence.

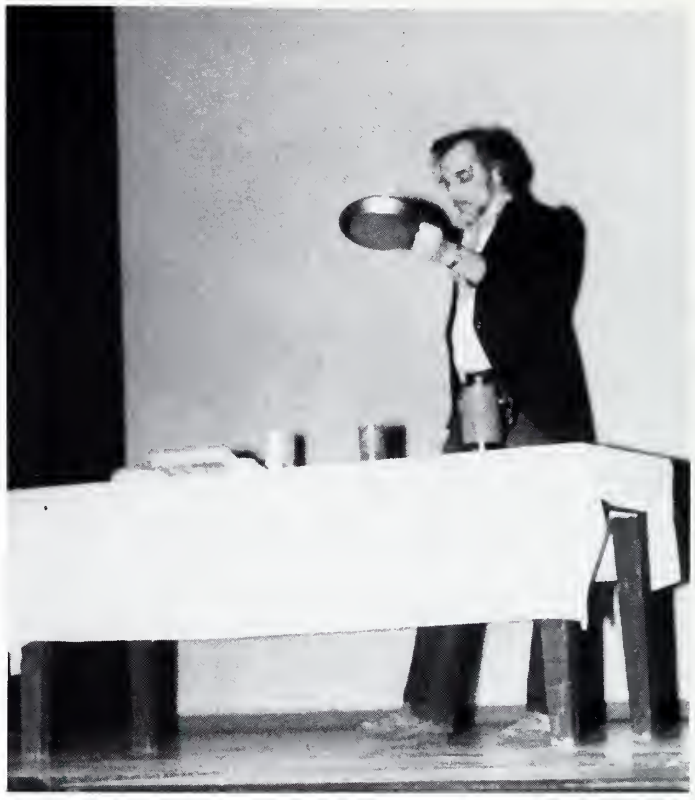
Susan Yoder, Ryan Reazin, and Sharon Yoder display their sign and their passion while in New York.

At the Tower of London, Carol Wedel met many interesting people, including these two yeomen.

# Faculty Follies

On March 29, the faculty members of Bethel College put on their annual Faculty Follies show. Professors and other personnel showed what talent or lack of talent that they had. It was a rare opportunity for students to see their profs let down their hair and act crazy.

A favorite group of everyone's was the "Solid Mold Dancers." Another big hit was "Ronny Parton" and the ever-present "ensor." It was a night full of laughter and fun. Door prizes were awarded at the end of the show. These consisted of free pizza to home made goodies. All of the door prizes were donated by faculty members.



Arlo Kasper mesmerizes the crowd with his magic.

Steven K. Goering, Larry Friesen, and Nancy Banman-Bartel display grace and poise as the "Solid Mold Dancers" take the stage.

# Christmas Banquet

Christmas Banquet was held December 6-8 in Memorial Hall, complete with white tablecloths, kerosene lamps, and a chandelier. The atmosphere was in a word: elegant.

The various groups who performed were; Chapel Choir, College Choir, Madrigals, Mixed Quartet, Bethel College String Quartet, and the Wind and Brass Ensembles. The Readers Theatre also performed, giving their rendition of Truman Capote's "A Christmas Memory." Several tableau scenes were presented by the class members of Play Participation and Theatre Arts.

The evening was concluded with a candlelight performance of "Silent Night" by Franz Gruber.

# Nurse's Capping

The traditional capping and chevroning ceremony for the Junior Nursing Class was held October 27 in Bethel College Mennonite Church. Nine students were capped either by their mothers or by their children. The meditation was given by Rev. Stan Smucker, pastor the Emmanuel Mennonite Church, La Junta, CO. The nursing students concluded the program with the reading of "Prayer of Saint Francis of Assisi."

# On Tour With The College Choir

During Spring Break, the College Choir went on a tri-state tour. Approximately 40 people went on the trip. Their travels took them from Oklahoma to Colorado and back to Kansas.

Some of their selections they sang were; Bach's "Motet No. III Jesus Dearest Master," Handel's "O Praise the Lord with One Consent," and several John Rutter numbers such as "Down By the Riverside," "O Clap Your Hands," and "A Gaelic Blessing."

While in the Denver area members of the choir either spent the day shopping in the city or skiing at Winter Park. Other highlights included an afternoon spent at a Lamar, CO park enjoying such games as "Red Light, Green Light" and "Simon Says." The choir also took in several muesums and tours throughout the trip.

# Bach Festival

This year was Johann Sebastian Bach's 300th birthday. Bethel College celebrated this special event during the week of March 21, beginning with chamber music by Bethel faculty and special guests from Wichita. The week concluded with a birthday celebration at the Old Mill Restaurant. Other features of the festival included A Coffee Cantata, at Druber's Donut Shop, a combined community orchestra/vocal group, and a five-member chamber ensemble from New York.

Kathy Schmidt plays a viola solo during the strings solos of the Bach Festival.

Heidi Schmidt plays her cello solo.

Brian Wiebe plays a violin solo.

# Instrumental

Instrumental Music plays a big part at Bethel with groups of all sizes and styles of music. Musical ensembles at Bethel include the Wind Ensembel, Jazz, Threshing Machine, and various chamber groups.

# Collegian

Lori Schmidt, and Paul Schrag work diligently laying out the Bethel

"This year, we wanted to make sure the Collegian covered the major issues on campus, such as the bell issue and the abolishment of the honor society. Our main goal is to cover the issues students and faculty have been talking about."

"We have a strong, experienced returning staff as well as hard-working freshmen and sophomore members. The whole staff cooperates well together, and we all get excited when we have a good story to offer—then people pick up the paper and want to read it."

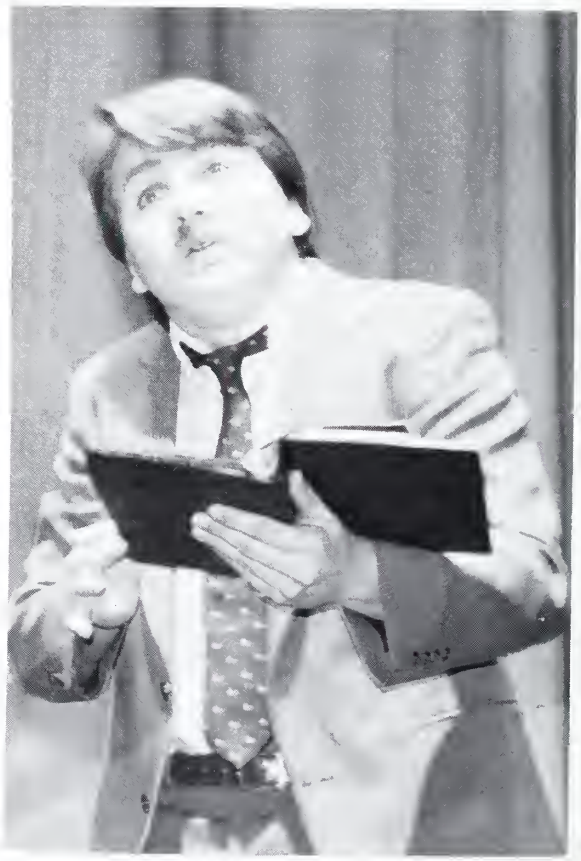
# Forensics

The forensics team had a very good year overall. The team placed first at the Wichita State University tournament, third at the Nebraska Wesleyan tournament, third at the Kansas State University tournament, and third at the Oklahoma University tournament. Individually, team members collected 55 trophies at nine tournaments.

Five members of the team qualified for the American Forensics Association National Events Tournament in Baltimore, Maryland, April 12-14. These included Galen Seymour, a junior from Augusta, KS, Brent Zerger, a sophomore from Hutchinson, KS, Lisa Zimmerman, a freshman from Newton, KS, Christy Zeltner, a junior from Pratt, KS, and Randy Shroeder, a freshman from Canton, KS. At the tournament, Shroeder broke into the final rounds of competition and placed third in the nation in dramatic interpretation. In addition, Galen Seymour broke into quarterfinals and placed 14th in persuasive speaking and 22nd in rhetorical critism.

During convocation junior Christy Zeltner and sophomore Brent Zerger perform their dramatic duo.

Galen Seymour, Randy Schrocder, Christy Zeltner, Brent Zerger, and Lisa Zimmerman seem very calm about qualifing for nationals.



Sophomore Randy Schroeder performs his piece of dramatic interpretation that won him third place in the nation.

Galen Seymour is obviously pleased with his finishes in forensic tournaments.

# Debate

The Debate team had a good season this year. # THRESHING CREW

This year was unusual for the Thresher yearbook staff in that most of the members were new to the team. It was a year of firsts with both Wendy Waltner as editor and Bryan Reber as faculty advisor. Although the rest of the staff were new as well, many came in with previous experience and provided a strong supporting staff.

## Fall Heat Wave Hits Bethel Campus - -

# 110 IN THE SHADE

The 1984-85 school year barely began and the Drama Department began gearing up for a new year and a new production. *110 In The Shade* was this year's Fall Festival production held September 27, 28, and 30. The cast having less than four weeks to put on the musical worked diligently and had much to be proud of when the curtain dropped for the final time.

The musical set on a hot, dry day in the middle of a drought starred senior Carmen Troyer as Lizzie Curry. Co-starring as her beaus were Jerry Miller as Bill Starbuck the rainmaker and Ron Ewy as File. The scenes unfold with her wanting to be rid of her old maid image and wanting to have a husband. On this afternoon a rainmaker comes to the scene to rid the town of this horrible drought. The family divides on whether or not to follow this wild idea that the rainmaker seems to have—that he can actually make it rain. Lizzie does not like this "conman",at first, but later begans to care for him. He makes her realize dreams she can have. Towards the end of the show it takes a different twist. The rainmaker really is a conman and is forced out of town wanting to take Lizzie along. Lizzie is almost convinced to go, but realizes dreams aren't always reality. Her dream of a husband is not lost—her hand of marriage is asked by the town sheriff whom she has always loved and cared for.

Jimmy (Mike Taylor) convinces Snookie (Marti Miller) that her little red hat will soon be his.

Lizzy questions File (Ron Ewy) why he ran out on his previous marriage.

# Mens Basketball

The 1984-85 season at Bethel was a season filled with ups and downs as the Threshers adjusted to a different coaching philosophy. Higher expectations, team goals and individual goals provided improvement on the junior varsity level as well as the varsity team. Both teams were competitive in the nonconference and conference games as they faced a well balanced schedule.

The Threshers started the season in the Mid-America Classic at Olathe and lost four games before they broke into the win column against St. Mary's in Dodge City. The Christmas break found the Threshers 2-6 with the games being well played and exciting. 1985 found the Threshers winning 5 out of their next 9 games to remain in a tie for second and third place in the KCAC. A six game losing streak assured the Threshers of a second division finish as inconsistency was the team's nemesis in most of the games.

Five seniors, three juniors, three sophomores, and five freshmen completed the season. The seniors were the backbone of the squad and gave the needed leadership both on and off the floor. Bryan Kroeker, James Regier, and Mark Siebert were selected honorable mention on the KCAC All Conference team. Mark Siebert was selected to play in the District X All-Star game held in Emporia. "In most meets we did well for a school of our size," said Rodgers.This earned the womens team 4th place in the KCAC and the mens team a 6th place in the KCAC.

Individually, the team members set many new school records. On the womens team Sandi Graber set new school records in the 3000 meter run with a time of 10:45.9 and a time of 18:57 in the 5000 meter.
